

THE NEXT LEVEL

# Security Operations Center for IT & OT

The only BSI-certified SOC in the DACH region

**8COM**  
CYBER SECURITY

UNDERSTAND - DETECT - ACT

## Maximum Security

**We prevent  
cyberattacks  
and protect  
your digital  
world.**

**8COM operates the only  
SOC in the DACH region  
certified to ISO 27001  
based on BSI IT-Grund-  
schutz**

Operated within a German RC4 high-security environment: Our highly qualified SOC analysts are on duty for you 24/7/365, exclusively from this secure location and in your language (German/English).

# Our Managed Services

## SIEM as a Service

Centralized log analysis 24/7/365. Proactive threat hunting across on-premises, cloud, remote work, and Microsoft 365 environments.

## XDR as a Service

Endpoint, network, and cloud telemetry. AI-powered detection and automated response across cloud, remote work, and Microsoft 365 environments.

## Incident Response & Forensics (in-house)

Rapid response in critical situations. Analysis, forensically sound reports, and crisis management based on certified processes.

## CTEM – Continuous Threat Exposure Management

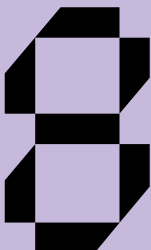

Continuous vulnerability assessment and dark web monitoring. Risk-based prioritization, transparent reporting, and clear actions.

## OT Discovery & Monitoring

Passive asset discovery. 24/7 anomaly and threat detection, including incident response. Correlation of IT and OT for complete security visibility.

## Best-of-Breed Technology Ecosystem

Leading solutions: Continuous evaluation for maximum security, aligned with MITRE ATT&CK® evaluations.

**Flexible – Tailored – Scalable**  
**Precision security with maximum performance.**

Tailored SOC packages: Core, Advanced, and Infinity.  
Our security solutions adapt to your needs.

# 20 years of advantage – 20 years of cybersecurity expertise

For over two decades, we have focused exclusively on cybersecurity – with our own infrastructure, exclusive certifications, and deep methodological expertise.

Our SOC is the result of years of experience and continuous evolution. We stand for a level of security that delivers when it matters most – meeting the promises others only make.

## Security that thinks ahead.

Explore our SOC packages now  
and stop threats before  
they cause damage.
